Leadership and Education: SAGE led discussions and workshops to raise awareness about the challenges facing younger and future generations, and ways to make a difference. We led five events and two event series on topics as diverse as civic engagement, charitable giving, and intentional neighboring. We also engaged and supported our Young Leaders Advisory Board to host a series on the importance of expanding our perspectives when taking on social causes.

During this nine-month program, each fellow defined a project that focused on how to help students recover from a tough year at school, and then leveraged their strengths to implement the project. Fellows led inspiring projects to promote mental health, heal trauma, help immigrant and refugee parents and their students, build hope and resiliency among Black youth, promote civics education, and to provide onramps to college for students experiencing homelessness. SAGE honored the seven graduates of the program in early 2022. Together, fellows demonstrate how citizen initiatives strengthen communities and improve

4c (Code: ) (Expenses \$ 145,660. including grants of \$ ) (Revenue \$ 920.)

Our Vision 2030 team developed and taught lessons to help students learn about our region's climate goals, and we partnered with a local school district to spotlight green workforce opportunities. Through our Citizen Project, we offered six events that focused on the leadership role that older adults play to bring people together across differences to solve public problems. Our fourth team, EVs for All, offered workshops to help older adults learn about electric vehicles
